

KOWTHARAPU ESWAR NAGA HARSHA

6300461844 | 24jr1a4251@gmail.com

EDUCATION

KKR & KSR Institute of Technology and Sciences | B.Tech in CSE (AI & ML) 2024 – 2028
CGPA: 7.34 / 10.0 | Coursework: Artificial Intelligence, Machine Learning, Data Structures & Algorithms, Python Programming, SQL

TECHNICAL SKILLS

Languages	Python, C, Java, SQL, HTML, CSS, Data Structures
Frameworks	Flask, Django, scikit-learn, TensorFlow, PyTorch
Tools	Jupyter Notebook, Google Colab, VS Code, Replit AI, Lovable, Bolt, Google Antigravity
Mathematics	Linear Algebra, Differential Equations and Vector Calculus, Discrete Mathematics, Probability & Statistics

PROJECTS

- All-in-One Tourism Guide App** | MGX (AI), SIH Internal Hackathon Winner 2025
- Developed an AI-assisted tourism app offering online/offline maps, verified local guide booking, hotel listings, and integrated bus/train/flight ticket booking.
 - Built a real-time safety system that tracks tourist routes, sends deviation alerts, and triggers SOS if unacknowledged — enhancing traveler security.
- Movie Rating Website** | Python, Django, HTML, CSS 2026
- Built an IMDb-style movie rating platform where users can browse, rate, and review movies with a dynamic and responsive UI.
 - Implemented backend logic using Django ORM for efficient data management and user session handling.
- Details Filling Website** | Python, Flask, HTML, CSS 2025
- Developed a Flask-based web application for structured data entry and management with form validation and database storage.
- Multipage Website** | Python, Django, HTML, CSS 2026
- Created a multi-page Django web application with reusable templates, URL routing, and consistent layout across pages.

ACHIEVEMENTS & CERTIFICATIONS

- Winner – SIH Internal Hackathon 2025 | Participant – KITS Ideathon 2025 (organised by LMNOSA Technologies)
- Participant – CodeChef Coding Contest conducted by ACM Student Chapter
- Gold Badge in C Language – HackerRank
- Certifications: C & Data Structures – CodeTantra | Digital Application Fundamentals, Generative AI Literacy – NASSCOM
